Goodbye to Summer.....

and... Welcome Back...to..

Summer is now just a memory, the beaches are long ,long way away and its now time to catch up with your friends.....and get down to work. As the days shorten and the cold makes us shiver there is one warm corner in Potters Bar which keeps the summer memories alive

.....Greek School

But before we buckle down to work and lots of steaming cups of coffee ...and for those of you that drink tea!! Lets cast our minds back to the last day in school before the break for summer who can forget the wonderful BBQ

Mr T. directing the ceremony....

Meanwhile at the BBQ corner.....

Greek gather men round the fire

Whilst at the Pym's tent....

The three amigos find happinesswith a little help from Pym's

In the sporting field.....

Get ready...on your marksGO.....

And then.....its all over

Now.....which way to the airport

Just a few highlights to remind us of the start of summer and now back to Autumn.....
